

# AIKIDO YOSHINKAN BRISBANE DOJO

## COVID-SAFE ACTION PLAN

### HYGIENE & CONTACT TRACING PROTOCOLS

- Students and visitors must use hand sanitiser upon entry and exit of the dojo
- Students must sign-in each session for attendance on the roll provided (plus electronic records of attendance will also be kept in support for tracing purposes if needed)
- Students must NOT attend training with any symptoms of sickness or unwell
- The dojo will be cleaned after each session – mats mopped; training equipment cleaned etc. with disinfectant solution
- Students to wear a cleanly washed uniform for training in each session
- Students may wear a face mask anyone wishes to do so
- Students will wash hands with soap and sanitise immediately after any cough or sneeze
- Students will be recommended to download the government COVID-Safe App

### TRAINING PROTOCOLS

- Unless contacting techniques practiced, socially distance between students of 1.5 metres in training and off the mats
- Classes limited to 45 people to allow for proper distancing on the mats and off (to remain in accordance with Qld. Gov COVID-19 regulations)
- The dojo's ventilation system is switched on throughout training times for proper ventilation

### VISITORS AND FAMILY MEMBER PROTOCOLS

- Every parent, family member and visitor who steps inside the dojo must sign-in the visitor's book provided at the counter for tracing purposes if needed.
- Parents and family members will remain outside the dojo (drop-off only) and comply with Qld Gov. COVID-19 social distancing regulations
- Parents who need to remain at the dojo with a specific reason may do so but limited to five persons only in the lounge room
- Parents must drop students off and pick up after training sessions
- There will be no gatherings or social events at the dojo while state government restrictions remain
- Visitors are accepted to observe a class while they keep 1.5m social distancing and limited to three persons at a time

#### IN THE CASE OF A COVID-19 POSITIVE TEST AMONGST DOJO COMMUNITY

- The Dojo will close immediately
- The Dojo will be cleaned using disinfectant solution – all surfaces and equipment
- All students and family members will be notified of the positive case and asked to quarantine for 2 weeks
- All students will be asked to take a test for COVID-19
- The Dojo will only reopen upon clear testing results of all students who were in contact with the person with the original positive test after two weeks

All actions here are in accordance with the Queensland Government's Stage 3 Covid-19 Restrictions for Indoor Sports Group – [INDUSTRY COVID SAFE PLAN](#)
